APPENDIXES

THE APPENDIXES list the couples discussed in this study who participated in spiritual marriages. They are alphabetized according to the name of the spouse who was the center of the cult or is most likely to be known. The following abbreviations pertain to Appendixes 1-7:

- = Contemporary source for spiritual marriage Α
- = Source treating spiritual marriage over 100 years after alleged B death of individual
- C = Source treating spiritual marriage over 200 years after allegeddeath of individual
- a/a = Contemporary source for individual with tradition of spiritual marriage added within 100 years of alleged death
- a/b = Contemporary source for individual with tradition of spiritual marriage over within 100 years of alleged death
- a/c = Contemporary source for individual with tradition of spiritual marriage added over 200 years of alleged death

Only one of the above codes is assigned per couple, except when there is an appreciable difference between the historical traditions of husband and wife.

Some of the individuals included in Appendixes 1-4 are probably hagiographical fabrications. A "yes" under the category "Historical Figure" denotes that the person in question in all probability existed.

The individuals in Appendixes 5-7 are all historical figures who received some contemporary notice. Their source typology refers to the first detailed source that discusses the marriage.

+As in the case of Elizabeth of Hungary, the couple was betrothed while they were infants (she was three, he was six) same court, I am dating length of chaste cohabitation from when the marriage was solemnized. Salome's vita (Kę Salomeae 1.2, MPH, 4:777) only specifies puberty. Vies des saints (ed. J. L. Baudot and L. Chaussin [Paris, 1954], 11:588) says she was thirteen.
