Letter to the Tertiaries of Penance of Saint Dominic

(for private distribution to tertiaries only)

Letter n° 96

Dear Brothers and Sisters in Saint Dominic,

Please forgive me for letting so much time go by since the last letter in February. In the future, I will try to give more frequent updates, even if that means the letters will be short (like this one).

Attached, you'll find one more chapter from Wendell O.P.'s *Spiritual Powerhouse* – *The Third Order of St. Dominic*, with reading suggestions. I would like to add one name to his list: Father Denis Fahey C.S.Sp. Any book by him is excellent reading for a tertiary.

God bless,

IN MARIA,
Fr. Angelico OP
