

# THE GREAT DIVINE ARTIST

1. The Great Divine Artist  
Has made the world His work  
And all that's in it  
Is His handiwork

4. With His right hand  
He has made the earth  
And with His left  
He has made the sea

9. The mountains are His work  
The hills are His handiwork  
The valleys are His work  
The rivers are His work

10. The sea is His work  
The land is His handiwork  
The sun is His work  
The moon is His handiwork

2. All things are His work  
And He is the Great Artist  
Who has made the world  
And all that's in it

His handiwork
